Mississippi Department of Public Safety Office of Standards and Training

Welcome to the New Acadis Portal for the Office of Standards and Training

Visit our website: [Mississippi DPS - Office of Standards and Training](#)

This new Acadis Portal serves as the central hub for the Office of Standards and Training, which provides administrative and fiscal support for the following:

- The Board on Law Enforcement Officer Standards and Training
- The Board of Emergency Telecommunications Standards and Training
- The Board on Jail Officer Standards and Training
- The Mississippi Law Enforcement Accreditation Commission

The core focus of these boards is the certification of law enforcement officers, emergency telecommunications, and jail officers.

Law Enforcement Officer Standards and Training

This Board sets entrance standards for law enforcement, maintains compliance files on all officers, and ensures continuous training. It develops and administers the basic curriculum for both full-time and part-time officers, approves instructors and academies, and monitors adherence to training program requirements.

Emergency Telecommunications Standards and Training

* Required Information

Cancel

Once Submitted, a pop-up box will appear with information about next steps.

Thank You

IMPORTANT - Please read below.

Your submission has been accepted.

The Office of Standards and Training will review your request. If a new Portal Account is created, you will receive an email with a link to the Portal to finish setting up your account. The PERSONAL email address you listed on the form will be the primary email address where all Acadis related emails will be sent.

If you already have a Portal Account, a team member with the Office of Standards and Training will generate an email with a link to reset your password. This will be sent to the email address on file.

[Close](#)

If you already have an Acadis Portal account, a password reset along with your account information will be sent to you.

If you do not have an Acadis Portal Account, one will be created for you and you will receive a “Welcome Email” with instructions on how to log in.
